- Pennsic University is pleased to announce that it is once in again in business for Pennsic 44 and is accepting new teacher and class reservations as of February (yeah, I know, this is a late message, but... hey... life happens).

As last year, please connect to <http://thing.pennsicuniversity.org/> to begin the process of registering to teach classes.

If you taught in the last two year, your Teacher information should still be in the system, so you don't have to re-register as a teacher, just update your availability and arrival dates, confirm your teacher and contact information, and create your new classes for this year.

- If your classes are in one of the covered "tracks" submit your classes through your track coordinator. If you don't know if your class belongs in a coordinated track, please contact the Registrar or myself at the contact info below. We'll let you know if your class is in a track, and if so, who your TC is.

We look forward to seeing all our old teachers and students again this year and hope for big loads of new students and teachers to become old friends with for next year!

Here is the staff list for Pennsic University, PW44:
