Hí Sunderoak!

Spring is right around the corner....really it is!! :-) Soon there will be fencing and equestrian and archery and heavy fighting again! A&S is still going strong - stop by Mahin's on Monday evenings to play with art and meet some of the new folks in the shire! Thanks to Raven and Mahin we were able to donate numerous largess items to Their Royal Majesties. I'd like to take a quick moment to thank Dyne our web minister for correcting a glitch on our website so quickly that no one knew we were having problems!

We have a demo for the boy scouts coming up on March 17th. Please contact Thorgrim if you are interested in participating. thorgrim@zoominternet.net

Best,

Katla

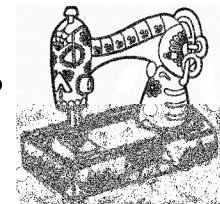

- **Greetings SunderOak,**
-
- **February is a short month, and we packed it full of activity. Lady Raven led two nights of Largess, Sir Thorgrim spoke with us about How to Watch Singles Fights and Know What you are Seeing, and Mistress Aleea taught us to make Frog Buttons.**
-
- **This Month is just as busy. Mistress Irene is coming to teach us how to adapt period patterns to fit us, Baron Janos will teach us to make medieval sausage, Lady Fiora and Lord Will are coming to discuss Historical Fencing, Lady Zoe will teach us about Tea, and Lady Fiora will come back for a basic Illumination class.**

- **The class list is also available on the Shire calendar.**

- **A&S night is held Monday nights starting at 6pm at Mahin's house,**
- **110 Pine St, Butler, PA 16001.**

- **If there are changes in place or time or if a class presenter is asking for a small donation it will be posted through the Shire email list and also on the Shire facebook group.**

- **We hope to see you soon!**
- **Mahin**

- Pennsic University is pleased to announce that it is once in again in business for Pennsic 44 and is accepting new teacher and class reservations as of February (yeah, I know, this is a late message, but... hey... life happens).

As last year, please connect to <http://thing.pennsicuniversity.org/> to begin the process of registering to teach classes.

If you taught in the last two year, your Teacher information should still be in the system, so you don't have to re-register as a teacher, just update your availability and arrival dates, confirm your teacher and contact information, and create your new classes for this year.

- If your classes are in one of the covered "tracks" submit your classes through your track coordinator. If you don't know if your class belongs in a coordinated track, please contact the Registrar or myself at the contact info below. We'll let you know if your class is in a track, and if so, who your TC is.

We look forward to seeing all our old teachers and students again this year and hope for big loads of new students and teachers to become old friends with for next year!

Here is the staff list for Pennsic University, PW44:

Chancellor : Capt Elias Gedney PennsicUniversity@gmail.com

Point coordinator: Mistress Ciara PennsicUPoint@gmail.com

Tell us of any questions or issues you may have University this year.

We are also interested in any comments you might have about the book format we used last year. Send your comments to me, PennsicUniversity@gmail.com
